## **Jeff Huang**

Assistant Chairman of Tianjin Climate Exchange and Vice President-Asia of Chicago Climate Exchange. He has more than 17 years experience in financial market development in China, involving new technologies and new product development.

Before joining CCX, Mr. Huang served as co-founder and managing director of ChiSurf Ltd., a Beijing-based boutique investment bank specialising in the futures and derivatives sector.

In 2007, Huang advised Newedge Group, one of Europe's largest futures and derivatives brokers, in the successful establishment of a joint venture with Citic Futures Inc., a futures broker in Shanghai owned by China's Citic Group.

Mr. Huang is a frequent public speaker in China and abroad, and has helped educate Chinese market participants in issues related to clearing and risk management. He has also been a consultant for the China Securities Regulatory Commission.

Mr. Huang is a graduate of Beijing Polytechnic University and holds a Masters degree in International Economics from the Foreign Affairs College of the Ministry of Foreign Affairs in Beijing. He is also a part-time professor at Beijing Normal University.
